Thank you for your interest in leading the 2012 Community/Special Events Task Force. This page contains information on the Task Force, and the second page contains the application.

**Task Force Description:**
The Community/Special Events Task Force is charged with broadening the attendee experience beyond the walls of the convention center, infusing “local flavor” into conference programs, and facilitating a lively and energetic networking component to the conference. Working closely with Net Impact staff, the Task Force will accomplish this goal by organizing:

- Off-site business trips on Thursday 10/25
- No-host networking dinners on Thursday 10/25 and Friday 10/26
- A welcome event Thursday evening to follow the keynote for approximately 500 people
- Friday evening social events (e.g. Happy Hours)
- On-site volunteer management
- And more!

This team is critical in creating the holistic conference experience we want our attendees to have – an opportunity to get to know the local area and connect with each other on a deeper level.

**Team Creation**
Net Impact will select two (2) task force chairs from the applicant pool to lead the team. These chairs will then recruit between 3-5 additional members from various partner or local chapters to join the team. The chairs are encouraged to use any system they like in selecting their team members, however, Net Impact strongly encourages they select a diverse group of people: diverse in experience, program or industry, and chapter affiliation. All task force members receive complimentary admission to the 2012 conference.

**Time Commitment**
We estimate the time commitment to be 8 - 12 hours per month. We try to space out activities as much as we can, but things tend to be back loaded into late-summer/early fall.

**Spring 2012 Timeline**
- March 19th: Task Force Leader applications due
- March 30th: Leaders selected, task force member recruitment begins
- April 13th: Members selected and task force up and running
Please submit your application to Dan Fox at dfox@netimpact.org by **Wednesday March 19th, 2012**.
